Your wedding is a special occasion full of wonderful and beautiful experiences for all involved, this includes us.

With over 1000 weddings in the past 15 years there is no function too large or too small. B.P.M Entertainment will pay special attention to detail and cater to your individual needs. Whether this be a nice Cocktail style wedding with live music, or a DJ to keep you dancing until the early hours of the morning, we will provide all of the entertainment to suit your particular type of wedding.

Our music and song selections can cater for any style of wedding, from a romantic evening with slow music to set the mood for you and your guests to all of your party classics and commercial hits of today. We play the music you want to hear to ensure the right atmosphere is created for a successful and memorable day.

Our staff are friendly, approachable and are dedicated to making sure that your wedding runs smoothly and that all your needs are met with the highest standard of quality and professionalism.

B.P.M Entertainment is quickly becoming the leaders in all forms of entertainment throughout Melbourne and with an ever-growing number of professionally trained and experienced staff it's no wonder we're helping to provide a special and memorable day for couples all around Australia.
