Melbourne

I have been Singing and performing for as long as I can remember and I knew from the moment I was on stage that it was what I wanted to do with my life. The lights, The sound, The crowd cheering and clapping after every song was all it took. Since then I've sung at Weddings, Carols by Candlelight, Festivals, Pubs and Private Parties as well as guest appearances with various Bands around Melbourne. Music has always been my life and now I get to combine this passion with my work. It is so unbelievably rewarding to do what you love as a career and then in turn, have people love what you do. With a great knowledge of party music I am sure I will get the toughest of crowds on the dance floor and letting their hair down. I love what I do and it shows in every song I play. I take requests, and can even rove the dance floor with the microphone to see who can Dance AND who can Sing! The music is In Me.
